About Hearth Place

Established in 1997, as a drop in centre, in the comfort of a home like atmosphere, Hearth Place Cancer Support Centre is committed to providing community support for people diagnosed with cancer and their families through individual and group support, information, a resource centre, wellness programs and an ongoing lecture and discussion series. Hearth Place is a support centre where cancer patients and their families can come and share their experiences, find resources and discover new ways to care for themselves and each other.

Hearth Place operates without any public funding using private donations and various fundraising events to fund our operations.

Our Mission

Our mission is to provide a support centre where we can care for each other as we live with cancer.

How We Help

Caregiver support, grief support and programs for children and teens are available as Hearth Place recognizes the impact cancer has on the extended family and friends. Hearth Place also offers Pediatric Cancer Family support with programs for children and teens with cancer, their siblings, a monthly family support group, fun days, and couples support.

History

Hearth Place was the inspiration of Carolyn Alexander who, after being diagnosed with Breast Cancer, wanted to create a centre that would address the social, practical, emotional, educational and spiritual needs of people dealing with all types of cancer and their family members and caregivers. After several years of planning, fundraising and developing the infrastructure, we were granted charitable status and opened our doors January 29, 1997. Since that time, we have continually developed new programs to best meet the needs of the members coming through the door.

FAQ's

Do I need to fill out an Event Application? Can't I just donate the proceeds after the event?

While we graciously accept proceeds from events that take place without our knowledge, we do recommend you let us know about your activity or event by registering it. If we know about it ahead of time we can provide you with resources, promotional materials and benefits such as an event listing in our bi-monthly newsletter "From the Hearth".

Where does the money I raise go?

The money you raise will help fund the programming that Hearth Place offers. You can see more information about the programming offered on our website at www.hearthplace.org. Together we can provide Hope, Encouragement, Acceptance, Reassurance, Trust and Help to the members of Hearth Place.

Does Hearth Place provide insurance for my event?

Hearth Place does not provide insurance for third party events. We suggest you speak with someone from your own personal insurance company to see what coverage they could provide.

Can Hearth Place help me to solicit sponsorship and donors for my event?

When you have completed an event registration form, we are happy to create a general letter on our letterhead that you can take to potential sponsors and donors that shows them our knowledge of the event.

I would like to have a representative speak or attend my event. Is this possible?

We will make every effort to attend your event if you would like us there. Depending on the size, scale and timing of your event, a representative from Hearth Place may attend as a speaker, volunteer or guest. Please note that Hearth Place is a charity that is not publicly funded and we would prefer our representative not be required to purchase a ticket to your event. If you would like to have a representative at your event, please consider budgeting for this within your event expenses. We will, however, publicize your event to our membership where possible and appropriate.

Can I use the Hearth Place logo when promoting my event?

Once your event is approved, please contact us with information regarding how you would like to use the logo. All promotional materials with the Hearth Place logo must be approved by us before going to print.

When do I need to submit the net profits from the event?

Event guests and volunteers will likely want to know how successful the event was. Hearth Place strives to recognize its supporters in a timely manner and therefore, we ask that net proceeds be submitted within 30 days of the event.

Can Hearth Place issue tax receipts for my event?

Hearth Place issues tax receipts in accordance with the Canada Revenue Agency guidelines. In general, Hearth Place does not issue tax receipts for third party events unless pledges or individual donations are made, in which case, full contact information of the donor must be received.
